
Purpose:

Notification of Rights Afforded by Section 504

RIGHTS AFFORDED BY SECTION 504 OF THE REHABILITATION ACT OF 1973

You have the right to:

1. *Have your child take part in, and receive benefits from, public education programs without discrimination because of your child's disability.*
2. *Have Charter School Institute advise you of your rights under federal law.*
3. *Receive notice with respect to identification, evaluation, or placement of your child.*
4. *Have your child receive a free appropriate public education. This includes the right to be educated with non-disabled students to the maximum extent appropriate. It also includes the right to have the School District make reasonable accommodations to allow your child an equal opportunity to participate in school and school-related activities.*
5. *Have your child receive services and be educated in facilities that are comparable to those provided to students without disabilities.*
6. *Have your child receive an individualized evaluation and receive special education and related services if your child is found eligible under Section 504.*
7. *Have evaluation, eligibility, educational, and placement decisions made based on a variety of information sources and by persons who know your child and who are knowledgeable about the evaluation data and placement options.*
8. *Have transportation provided to and from an alternative placement setting at no greater cost to you than would be incurred if your child were placed in a program operated by the School District.*
9. *Have your child be given an equal opportunity to participate in nonacademic and extracurricular activities offered by the School District.*
10. *Examine all relevant records relating to decisions regarding your child's identification, evaluation, and placement. Obtain copies of educational records at a reasonable cost on the same terms as records are provided students without a disability, unless the fee would effectively deny you access to the records.*
11. *Receive a response from the School District to reasonable requests for explanations and interpretations of your child's records.*
12. *Request amendment of your child's educational records if there is reasonable cause to believe that they are inaccurate, misleading or otherwise in violation of the privacy rights of your child. If the School District refuses this request, it shall notify you within a reasonable time and advise you of the right to a hearing.*
13. *File a local grievance in accordance with School District policy.*
14. *Request an impartial hearing related to decisions regarding your child's identification, eligibility, and educational program or placement with opportunity for participation by the person's parents or guardian and representation by counsel, and a review procedure. This is provided in the local grievance procedure.*
