

Colorado Military Academy

WHEREAS, Colorado Military Academy recognizes the unique sacrifices made by military-connected families and the vital contributions they provide to our nation and community;

WHEREAS, the Academy is committed to fostering an inclusive and supportive environment for all students, especially those from military families who face unique challenges such as frequent relocations and parental deployments;

WHEREAS, the Academy values the strength, resilience, and leadership that military-connected students bring to our school community;

NOW, THEREFORE, BE IT RESOLVED that the Colorado Military Academy affirms its dedication to:

1. Supporting military-connected students and their families through specialized programs, counseling, and resources tailored to their needs;
2. Honoring the sacrifices and contributions of military families by promoting awareness and understanding among students, staff, and the broader school community;
3. Partnering with local and national organizations to enhance services and opportunities for military-connected students;
4. Continuously improving the academic, emotional, and social support systems that empower military-connected students to succeed and thrive.

This resolution is adopted by the Colorado Military Academy to emphasize its unwavering commitment to serving military families and recognizing their invaluable role in the school and community.

Adopted this 17th day of December, 2024 by the Colorado Military Academy.
